

Character Description Plan

Isabella Riosse

Because we are so early on in the text, it is fine to make up your character description about Isabella. There will be some bits of the text you can include – re read chapter 2 as we learn about:

- Her friendship with Lupe and how she cares about Cata
- She uses old ribbon from Da's study without him knowing
- In Chapter 1, we see snippets of her relationship with Da
- Think about where the novel is set – in a warm country – do you think she would be in rich/poor clothes? What might these look like? Think about the language in the book 'Senora' / 'Orchard'. Maybe you can even research some of the clothes worn in these types of climates!
